## HALL OF FAME

The Hockey Queensland Hall of Fame was established in 2002. It is the most prestigious award to Players who have represented the former Queensland Women's Hockey Association and the former Queensland (Men's) Hockey Association and the current Hockey Queensland organisations.

An ad hoc Committee led by the General Manager, decides on which Players will be awarded this prominent position from the history of State, National and International representation. Each of the inductees has a Hall of Fame Honour Board position, with an accompanying photo album that lists various achievements of the individual. They are invited to attend a special presentation for their induction.

It is not essential that inductees are chosen on an annual basis, but that they fill the criteria.

The criterion for selection includes:

- a) Persons selected will have achieved fame as a **PLAYER**; it being recognised that persons who render extraordinary service as administrators and officials may be honoured by Life Membership, Distinguished Service Award etc;
- b) The person (who has competed at State Championships or National Championships representing their centre or Hockey Queensland) must be over 30 years of age and have ceased playing in open competition for at least five years;
- c) The person will have represented Queensland for at least five years and Australia for at least four years;
- d) - Candidates public standing in addition to outstanding service and contribution to the game.
  - The committee may consider a candidate's individual record, ability, integrity, sportsmanship and character.
  - The number of hockey games played, coached managed or umpired or the years of service provided shall only be a consideration and shall not be determinative in assessing candidate eligibility.

## ANNUAL AWARDS

The Hockey Queensland Annual Awards were established in 1996. They are awarded to individuals or organisations within the current year.

An ad hoc Committee decides from nominations received, who have the most significant input to the particular category within that year.

The criteria for selection for each of the awards are advertised, 'nominations' are received and final selections are decided.

The General Manager shall seek feedback and confirmation from a wide variety of people who have expertise in one or more areas covered by the award category.

The Annual Hockey Queensland Awards dinner provides the platform for presentation

## HEC CORMIE SCHOLARSHIPS

Beginning in 1998, a grant was bequeathed to Hockey Queensland from the Cormie family, in the form of a scholarship to Players who had been identified with the potential to play for Australia.

The cash amount of scholarship was used to pay for hockey related expenses.

In 2004, Hockey Queensland decided to continue with the funding for future scholarships, by setting up an opportunity for others to 'donate' to the fund via the Australian Sports Foundation. This opportunity remains in place and has allowed for the scholarship to be continued.

If you would like to contribute to the Hec Cormie Scholarship Fund, please contact the Hockey Queensland Office on (07) 3399 6577.
