COUNT DOWN TO PROGRAM REGISTRATION DAY - September 30!!

Several Clubs/Associations (Hin2H Centres) have sent in their Centre Agreement and Program Registration forms and have received the material they need to start their programs. Just to reiterate, Associations in some cases run the program, in other cases, Clubs run the program. Those registered to date are –

Warwick
Gympie
Rockhampton Juniors
Townsville
St Andrews Anglican College Peregrin
Sth Brisbane Eagles

Others who have made contact but have not yet completed the registration process for 2006 –

Cairns (no forms yet)
Brisbane Men (no forms yet)
Burleigh (dates to be confirmed)
Helensvale (no forms yet)
Mackay (currently doing program for 2005)
Maryborough (no forms yet)
Moreton Bay College (no forms yet)
Gladstone (no forms yet)
Mt Isa (no forms yet)
Moranbah (no forms yet)
Bundaberg (no forms yet)

To those of you who have yet to send them in, please meet the deadline of **30 September**.

This will give you plenty of lead time to promote the program in the final term of school and have your participants ready to start in the new year. It will also give me time to collate and send all the necessary material to each Centre.

Just a reminder that the Centre Agreement form and Program Registration form work together so it is necessary to send them in together. Also you need to put approximate program dates on the program registration form.

Queensland Hockey Promotion will be promoting the program extensively in the next couple of months.

We need to have your coordinator's name and contact details by September 30, so we can refer any parents who enquire about their children joining the program, to the Centre nearest them.

I hope your planning is well underway to ensure the smooth running of this wonderful initiative for our sport.

Please contact me if you have any queries.

Bye for now
